11. (Unclassified - SF) LIAISON Received a call from Robert E. Redding, Ford Motor Company, who was wondering "about the extent to which their Company might relate to CIA for publications of research, etc. which we produce which would be of interest to a private Company like theirs." I referred him to the Document Expediting (DOCEX) Project, Library of Congress, explaining that he could obtain on a subscription basis unclassified CIA publications. He said this was just the type of information he was looking for and thanked me.

12. (Confidential - MMP) LIAISON Accompanied Loch Johnson, House Permanent Select Committee on Intelligence staff, to meetings with representatives of three Agency components: DCD, FRD and NFAC. These briefings were in support of the Committee's inquiries into the relationship between CIA and academia. (See Memorandum for the Record.)

25X1 13. (Confidential - MMP) LIAISON Accompanied Loch  
25X1 Johnson, House Permanent Select Committee on Intelligence staff, to lunch with [redacted] Deputy Chief, EUR Division. [redacted] and Mr. Johnson exchanged views on the value of Mr. Johnson's trip to Europe and some of the DDO personalities encountered.

25X1 14. (Confidential - MMP) LIAISON Accompanied Loch  
25X1 Johnson, House Permanent Select Committee on Intelligence staff, to a meeting with [redacted] IG Staff. [redacted] explained to Mr. Johnson the method by which CIA handles grievances from employees and outlined some of his ideas for how these might be better handled in the future.  
25X1 Mr. Johnson and [redacted] agreed that, in the event of any grievance going directly to the Committee, Mr. Johnson would  
25X1 communicate with [redacted] through OLC. Mr. Johnson saw no need for a separate communication link with the IG Staff.

25X1 15. (Unclassified - MMP) LIAISON Called Ira Goldman and Fred Hull, both of whom are new staffers on the House Permanent Select Committee on Intelligence, to lay on plans for them to be included in the orientation briefing on CIA which [redacted] of our office, has laid on for Mike Galacek, Senate Select Committee on Intelligence staff. They also suggested that we include Arlene Marek, House Permanent Select Committee on Intelligence staff.
